

Registered Fabricated Steelwork Suppliers (including Aluminium and Stainless Steel)

4 November 2020

Fabricators are registered in accordance with Registration Scheme: Suppliers and Products for Bridges and Other Structures

Table 1: Registered fabricators to MRTS78 (Active)

Registered Supplier	Registration Status	Registration Expiry	Major Infrastructure to MRTS78					Minor Infrastructure to MRTS78																				
			Shop Welding of Girders	Fabricated Steel Girders	Truss Bridges	Rolled Steel Girders	Overhead Fabricated Gantries	Bridge Traffic & Balustrade Rail	Bridge Throw Screens	Road Side Mounted Sign Gantries	Steel Replacement Components	Steel Liners	Steel Piles	Bridge Restraint Angles	Bearing Attachment Plates	Bus Stations	Traffic Sign Slip Base Poles	Road Lighting to MRTS97	Traffic Mast Arms	Motor Grids	Fabricated Noise Barrier Posts	Fabricated Noise Barrier Panels	Noise Barriers on Parapets	Anchor Bar / Bolt Cages / Guardrail Terminal Bolts	Galvanised Steel Cover Plates (excludes welding)	Pit Covers to MRTS 91	Grates	Miscellaneous Fabrication

Note 1: Conditions of registration apply as per Letter and Certificate of Registration

Note 2: Registration does not approve or endorse product designs

"Conditional" means that site registration includes additional conditions that must be met as listed in the letter of registration. Contact SCM for details

Level 1: New or satisfactory supplier

Level 2: High quality supplier

S: Suspended supplier

P: Probation category – New to the supplier
