Contents

3 General.....1

3 General

All the information previously contained within “Chapter 3 - Aerial Surveying” has now been superseded and this chapter is no longer required as part of the *Drafting and Design Presentation Standards Manual*.

All survey must be presented in accordance with the department’s current standards as set out in the *TMR Surveying Standards*, and as prescribed under Section 1.9 in Chapter 1 on Volume 1 of the *Drafting and Design Presentation Standards Manual*.
