TMR Community Media Alert

HAVE YOUR SAY ON THE BRUCE HIGHWAY AND BOLSOVER STREET INTERSECTION UPGRADE PROJECT

The Department of Transport and Main Roads (TMR) invites the community to have their say on critical upgrades to the Bruce Highway (Rockhampton–St Lawrence) between Neville Hewitt Bridge and Cambridge Street, Rockhampton.

Residents, business owners, industry and road users are encouraged to provide input to help TMR understand community priorities for this important section of the Bruce Highway.

The project is currently in the planning phase, with community feedback and technical data helping to identify and assess design solutions.

TMR wants to hear from as many people as possible. All users of this section of the Bruce Highway are encouraged to provide feedback by visiting <https://yoursay-projects.tmr.qld.gov.au/albert-street-bolsover-street-intersection>.

Consultation will be open from Wednesday 10 September at 9am to Tuesday 7 October 2025 at 5pm.

For more information about this project, visit [Bruce Highway \(Rockhampton–St Lawrence\) and Bolsover Street, upgrade intersection | Department of Transport and Main Roads](#).
