## TMR Community Media Alert

---

### Plans progress to upgrade Maleny intersection

The Queensland Government is progressing plans to upgrade the Landsborough-Maleny Road and Maleny-Montville Road intersection in Maleny.

The safety upgrade aims to improve safety, efficiency, and capacity for all road users.

The roundabout design will address key concerns raised by the community, including improving visibility to the east of the intersection and reducing peak-hour congestion.

The intersection upgrade shows a commitment to addressing community concerns and improving road safety in the region.

The Queensland Government will continue to work closely with the community to ensure this upgrade delivers the best outcomes for Maleny and surrounding areas.
