# FERRIC CHLORIDE 40%

CAS No. : 7705-08-0

UN No : 2582

**DANGER**

Causes severe skin burns and eye damage

- Highly corrosive when in contact with all common metals.
- Non-flammable, but contact with certain metals will produce hydrogen gas which may pose a fire hazard if ignited.
- Keep separate from food stuff & food containers.

USE FOR : Water & waste water treatment process and PCB etching process.

WARNING : CAUSES EYE IRRITATION

Avoid contact with eyes, Wash thoroughly after handling. Wear goggles and rubber gloves. Causes stains.

HANDLING AND STORAGE PRECAUTIONS :

Protect container from physical damage. Do not strike containers or fittings with tools or hard objects. Keep container closed and dry. Store away from heat and oxidizing agents. Wash thoroughly after handling. Emptied container may retain vapor and product residue.

This statement is NOT a Dangerous Goods Licence. To drive a vehicle requiring a dangerous goods licence proper application MUST be made to a State Competent Authority within six months of the date of issue shown above.

## Certificate of Currency

This is to certify that the undermentioned policy is current as shown in the Period of Insurance details unless cancelled in the meantime. Subject to the limitations, exclusions, definitions and conditions of the Zurich Australian Insurance Limited policy wording.

---

**Class of Insurance**

Motor Fleet

**Policy Number**

43 2970284 VFT

**The Insured**

Greshton Pty Ltd & Katmen Pty Ltd T/As KP Freighters including subsidiary companies for their respective rights and interests.

**Interest Insured**

Sections One & Two

All Motor Vehicles Declared by the Insured and any Additional Motor Vehicles Notified to Zurich in Accordance with the Declaration of Vehicles.

**Policy Limit(s)**

Section 1

If market value or sum insured is specified as the Basis of Settlement, the maximum amount we will pay for your vehicle is:

(a) where you have not specified a sum insured value, the market value; or

(b) where you have specified a sum insured value the lesser of:

(i) that value; or

(ii) the market value.

If agreed value is specified as the Basis of Settlement, the maximum amount we will pay for your vehicle is the agreed value.

Limited to \$10,000,000 any one event.

Section 2

\$30,000,000 for all claims arising from the one accident or series of accidents resulting from the one original cause but limited to \$1,000,000 if your vehicle is being used for transportation of dangerous goods (as defined in the policy).

**Period of Insurance**

From 25 June, 2018 at 4:00pm to 25 June, 2019 at 4:00pm.

**Issued**

at Brisbane on 27 June, 2018
