Subject: Milestones from Late Jan to end March

Good morning

Yesterday the Premier asked Minister for a list of significant milestones from end Jan to end March.

Could we please get an extract of the milestones report identifying start of early works, start of construction ^{NR}

any sizeable milestone during construction (only on the biggest projects – ^{NR} MRR, ^{NR} completion of works ^{NR} in that time period.

NR

Can this please be prioritised.

First cut without the smaller projects to come up by **COB today**.

Updated with the smaller projects, which I imagine might take some time to collate – by **COB Friday**.

Happy to discuss.

Thanks
Tam
