

Department of Transport and Main Roads - CV Template

Instructions for submitting form

- 1. One CV is to be submitted per individual per role and is to be tailored to the role being applied for.
- 2. The Supplier must submit this form in its original PDF file to retain cell structures. Do not print to other PDF or hard copy.
- 3. The Supplier must submit this form as an independent PDF file. Do not combine this PDF with other PDF files.

Instructions for filling form

- 1. The Applicant must provide an ABN, ACN and/or ARBN number.
- 2. The Applicant must provide verifiable evidence to address all mandatory requirements in Academic Qualifications, Professional Qualifications and Work Experience as specified in the Technical Brief.
- 3. Professional Engineers must hold an engineering degree (relevant to the role) that is accredited by Engineers Australia.
- 4. Where an Academic Qualification is required, such as "Bachelor of Engineering (Civil)", the full institution name, course name, graduation date and evidence of engineering accreditation must be shown. Where a Professional Qualification is required, such as "RPEQ", the registration number and expiry date must be shown.
