Insured includes each of the following:

- (a) the Named Insured stated in the Schedule;
- (b) all other companies, parties and persons designated as "the Insured" in the Primary Insurance to the extent defined therein.

Underlying Insurance means the Primary Insurance (Lead Policy No. BNCAS23410573 – Liberty Specialty Markets (Lead) and Lloyd's of London) and Underlying Excess Insurance (if any).

Singular/Plural

In this Policy, where the context admits, words denoting the singular shall include the plural and vice versa.

Headings

Headings have been included for ease of reference. The terms and conditions of this Policy are not to be construed or interpreted by reference to such headings.

2. CONDITIONS

2.1. Maintenance of Primary and Underlying Excess Insurance

The Primary Insurance and any Underlying Excess Insurance (if applicable) shall be maintained in full effect during the currency of this Policy except for any reduction of the limits contained therein by payment of any claims. The failure of the Insured to comply with the foregoing shall not invalidate this Policy, but in the event of such failure, the Insurers shall only be liable to the same extent as if the Insured had complied with this Condition.

2.2. Following Cover of Primary Insurance

This Policy is subject to the same terms, definitions, conditions and exclusions (except as regards the Limits of Liability, the Premium, any agreement to renew or as specifically provided for herein) as are contained in or as may be added to the Primary Insurance prior to the happening of an occurrence for which a claim is made hereunder.

The Liability of the Insurers to pay damages or compensation under this Policy as a result of each occurrence or all occurrences of a series consequent on or attributable to one source or original cause happening in connection with the Business shall not exceed the Limits of Liability stated in the Schedule.

If an amount is specified in the Schedule against Products in the Limit of Liability, the total liability of the Insurers for all claims arising out of Products shall not exceed such amount in the aggregate during the Period of Insurance.

In respect of any additional Primary Insurance policy covering Contracts which fall outside of the scope of the Named Insured's Primary Insurance specified in the Schedule, the indemnity by this Policy shall be subject to the same terms, definitions, conditions and exclusions (except as regards the Limits of Liability and the Premium) in accordance with the Primary Insurance specified in the Schedule, until such additional Primary Insurance has been formally agreed by the Insurers and endorsed onto this Policy.

2.3. Claims Condition

The Insured shall as soon as reasonably practicable advise the Insurers of any occurrence or circumstances of which the Insured becomes aware which is likely to give rise to a claim under this Policy. The Insurers shall not, however, be called upon to assume conduct of the settlement or defence of any claim made, or suits brought, or proceedings instituted against the Insured, but shall have the right and opportunity to be associated with the Insured in the defence and trial of any such claims, suits or proceedings relative to any occurrence, which, in the opinion of the Insurers may create liability on the part of the Insurers under the terms of this Policy. If the Insurers avail themselves of such right and opportunity, the Insured and the Insurers shall co-operate in all respects so as to effect a final determination of the claim or claims.

2.4. Costs

In the event of a loss arising to which the Insurers may be liable to contribute, no legal costs shall be incurred on their behalf without their consent being first obtained. Upon the Insurers giving such consent, the Insurers shall contribute to the legal costs in the proportion that their share of the final settled loss bears to the total sum payable. If however, a settlement of the loss is practicable prior to taking the case into court, whether by compromise or otherwise, for a sum not exceeding the Underlying Limits, no legal costs shall be payable by the Insurers.

2.5. Settlement of Losses

The Insured agrees not to settle a loss for a sum in excess of the Underlying Limits without the consent of the Insurers.

- whichever occurs first.

As that this Policy provides coverage in excess of the Underlying Insurance, the Insured's rights of recovery against any person or other entity cannot always be exclusively subrogated to the Insurers. In case of the payment of a claim under this Policy, the Insurers will act in concert with all other interested parties (including the Insured) in exercising such rights of recovery. If directed by the Insured the Nominee shall give a written undertaking that the Nominee will enter an appearance on the Insurers' behalf;

- (c) Any notice of claim given to the Insurers by any party insured under this Policy shall be accepted by the Insurers as a notice of claim given on behalf of all other parties insured under this Policy.
