

Example
(See notes 3 & 4)

	a	b	c	d	r
A	1120	1920	15	45	100
B	1400	2400	20	60	200
C	1680	2880	20	60	200

Notes:

1. Sign to be used in accordance with the Queensland MUTCD Part 2 at selected locations with significant road kill history and or significant conservation value.
2. The "SLOW DOWN" (TC1608) supplementary plate may replace the distance plate (W8-17) if the distance plate is not required. The "SLOW DOWN" supplementary plate is best used at defined short (<500m) wildlife hotspot locations.
3. The "SLOW DOWN" supplementary plate should not be used on high speed (>70 km/h) roads.
4. Insert appropriate distances in W8-17-1 and W8-17-2.
5. Wildlife warning signs given in the Queensland MUTCD Part 2 may be used as appropriate.

Colour Legend

	Class 400 retroreflective white		Class 400 retroreflective yellow
	Class 400 retroreflective green		Black
