

### HINGED FLAP IN OPEN POSITION

#### Colour Legend

<span style="display:inline-block; width:15px; height:15px; background-color:black;"></span>	Black
<span style="display:inline-block; width:15px; height:15px; background-color:white; border:1px solid black;"></span>	Retroreflective white

#### Notes

1. Broken vertical line indicates location of suitable brass hinge for flap.
2. Cut slots in flap and fit corresponding staples in sign to padlock flap in both open and closed positions.
3. Back of sign suitably stiffened at staple points.
