Colour Legend

	Class 400 retroreflective yellow
	Black

Notes:

1. This sign should be erected for underwater pipelines to warn vessel masters about these pipelines and the anchoring prohibition.
2. The sign is enacted by Section 195(1)(b) of the *Transport Operations (Marine Safety) Regulation 2016*, which deals with anchoring in particular places.
3. Installation of the sign is the responsibility of the underwater pipeline's owner.
4. Maritime Safety Queensland within the Department of Transport and Main Roads may provide advice to the pipeline's owner regarding the location and appropriate size for the sign.
