

0.5 - 1 times
legend height

Colour Legend

N14 White

Notes:

1. If used, this pavement marking must be installed in conjunction with advance warning signs which indicate the reason to reduce speed.
2. This pavement marking should only be used where the advance warning sign requires greater impact through the use of an on road device.
3. The maximum height of the legend to be 1000 mm.
4. The grid width is constant at 20 mm but height may vary if required.
5. For grid details see page 2.
