Notes:

1. This sign may be used in advance of and / or at the last exit on a road leading to a tunnel to indicate a final opportunity to exit prior to entering the tunnel.
2. Size A to be used as an advance stand alone option on a motorway or high speed (80km/h or greater) road.
3. Size B may be used in conjunction with exit signs GE2-3 or GE2-4. Refer examples.
4. Size C may be used as an advance stand alone option at locations where space constraints exist and an A size sign is not able to be physically accommodated or on a lower speed (less than 80 km/h) road.
