

Public Passenger Transport Guideline (No.1) 2023

Public Passenger Transport Guideline (No. 1) 2023

I, Jonathon Perrett, Acting Executive Director (State-wide Transport Planning Management), delegate of the Chief Executive under s37 of the *Transport Planning and Coordination Act 1994*, make this guideline, the *Public Passenger Transport (PPT) Guideline (No. 1) 2023*, pursuant to s8E of the *Transport Planning and Coordination Act 1994* on 18 January 2023.

Object of Guideline

The object of this guideline is to identify, for the purposes of s8E of the *Transport Planning and Coordination Act 1994* and the *Planning Regulation 2017*, existing and future public passenger transport corridors, existing and future state-controlled transport tunnels, and existing and future public passenger transport facilities.

Public Passenger Transport Guideline (No. 1) 2023 supersedes all previously made guidelines.

Refer to the DA mapping system known as DAMS (<https://planning.dsdmip.qld.gov.au/maps>) for current protected infrastructure.

Public Passenger Transport

The land referred to in Table 1 is identified as '*future state transport corridor*'.

The land referred to in Table 2 is identified as '*state transport corridor*'.

A structure referred to in Table 3 is identified as '*future state-controlled transport tunnel*'.

A structure referred to in Table 4 is identified as '*state-controlled transport tunnel*'.

A facility referred to in Table 5 is identified as '*future public passenger transport facility*'.

A facility referred to in Table 6 is identified as '*public passenger transport facility*'.

The land referred to in Table 7 is identified as '*principal cycle network plan*'.

Jonathon Perrett
Acting Executive Director
(State-wide Transport Planning Management)
Delegate of the Chief Executive under the
Transport Planning and Coordination Act 1994

Amendments to Public Passenger Transport Guideline (No. 1) 2023

Date: **18 January 2023**

Approved by: **Jonathon Perrett, Acting Executive Director (State-wide Transport Planning Management)**

Approval for PPT Guideline (No. 1) 2023 to supersede PPT Guideline (No. 2) 2022

Summary of changes between PPT Guideline (No. 1) 2023 and PPT Guideline (No. 2) 2022
