# Stage 3: Edmonton to Gordonvale Project

## Bruce Highway—Cairns Southern Access Corridor

## Notice of Works - Bridge piling to commence at Stoney Creek, Deppeler Road, Edmonton - Monday 19 July - Friday 29 October 2021*

**The Department of Transport and Main Roads (TMR) advises bridge piling works are to commence at Stoney Creek adjacent to Deppeler Road, Edmonton from 19 July to 29 October 2021, weather permitting.**

From Monday 19 July to Friday 29 October 2021*, weather permitting, the project team will undertake bridge piling works for the construction of two new bridges over Stoney Creek.

Piling works will occur from 7am to 6pm, Monday to Saturday* in periods of three weeks on, one week off. Piling works include the installation of both concrete piles and steel tubular piles.

Concrete piles to be used are pictured below awaiting delivery to site.

### What to expect during works

#### Hours of work

- Daytime construction will occur 7am to 6pm, Monday to Saturday*, weather permitting.
- Some nightworks may be necessary, however separate notification will occur in these instances.

#### Noise and vibration

- Noise from machinery and vehicles may be present while works are underway. Noise and vibration monitoring will be ongoing.

#### Vehicles

- Truck deliveries of bridge piles will occur along Thompson Road, Page Road and Hill Road from 26 July 2021* to facilitate these works.

***Wet weather, contractor and site conditions may change this advertised schedule.**

**Bridge piling at Stoney Creek will have no impact on the Bruce Highway traffic.**

**The project team will make every effort to keep disruptions to a minimum and would like to thank the local community for their patience during these works.**
