

Updates on roadworks and traffic impacts

Far North Queensland - Late 2020 to early 2021

The Department of Transport and Main Roads (TMR) is undertaking a series of roads projects within Far North Queensland. To assist motorists to plan their travel and potentially seek alternative routes, this map shows work locations and provides estimated travel delays (weather and construction conditions permitting).

For the most accurate information on road conditions and closures download the QLDTraffic app, call **13 19 40** or visit www.QLDTraffic.qld.gov.au

Zoom in to view traffic delays and click the project names to load the webpage.
