Caloundra Road to Sunshine Motorway

## Notice to motorists

### Palmview Forest Drive northern entrance

Construction on the jointly-funded Bruce Highway Upgrade – Caloundra Road to Sunshine Motorway (CR2SM) is progressing well. The \$932 million project is jointly-funded with the Australian Government committing \$745.6 million and the Queensland Government committing \$186.4 million.

Residents and motorists are advised that traffic changes will continue to occur on major and local roads to facilitate ongoing construction works.

After **7 April 2021**, the new northern entrance to Palmview Forest Drive will open to traffic. Temporary traffic signals will be required at the intersection for 1-2 weeks, weather permitting, while the final link into Palmview Forest Drive is completed.

The southbound lane of Frizzo Connection Road will remain closed for an additional 2-3 weeks, weather permitting, while work in the area is finalised.

### What to expect

#### Traffic detours and lane closures:

- Temporary road closures and detours to allow for asphalt works, signage and line marking, reduced speed limits, changes to traffic flow and short-term traffic disruptions.
