

Bruce Highway Upgrade

Deception Bay Road Interchange

Construction notice

April 2021

Ref: CN011b

April project update

The Bruce Highway Upgrade – Deception Bay Road Interchange project will deliver two new parallel bridges over the Bruce Highway, upgrade two signalised intersections on Deception Bay Road, increase the length and capacity of the existing entry and exit ramps and provide new infrastructure for pedestrians and bike riders.

April 2021 overview

During April 2021, earthworks, drainage and bridge construction will continue across the project.

Works planned for April:

New Settlement Road

- Due to recent wet weather, the construction team has not been able to complete preparatory works for the planned closure of New Settlement Road between Old Gympie Road and Marks Road. This means the road closure (scheduled for 6 to 16 April 2021) has been cancelled at this time.
- Earthworks, drainage, and road pavement works will continue throughout April. Minor changes to existing traffic alignments will be implemented, including changes to the turning lane into Old Gympie Road,
- The speed limit will be reduced to 40km/h through the work zone.

Bruce Highway bridge works

- Construction of the new bridges over the Bruce Highway and Little Burpengary Creek will continue.
- Temporary single lane closures on Bruce Highway may be required at night.
- Early concrete pours will start at 4.30am.

Deception Bay Road

- Earthworks, drainage and road pavement works will occur on Deception Bay Road. Night works are required to remove centre median and conduct pavement works. The speed limit will be reduced to 40km/h through the work zone.

Old Gympie Road

- Earthworks, drainage and road pavement works will occur on Old Gympie Road.
- Night works and traffic changes will be undertaken at the New Settlement Road intersection.

All works are subject to weather and construction conditions. We thank you for your patience and cooperation during these works.

Australian Government

BUILDING OUR FUTURE

Eastern Service Road

- Earthworks, drainage and road pavement works will occur on the Eastern Service Road.
- Single lane closures may be required and the speed limit will be reduced to 40km/hr in the area.

What to expect:

- **Traffic control:** Increased local traffic changes will be in place including reduced speed limits, temporary lane closures and minor traffic disruptions. Traffic controllers may be present to assist and direct road users. Priority access through the work zone will be given to emergency vehicles, wherever safe to do so.
- **Night works:** Night works will include installation of traffic barriers and underground service installation works at the intersections of Old Gympie Road and New Settlement Road, and Deception Bay Road and the Eastern Service Road. Deliveries and lane closures will be in place on the Bruce Highway. There will be nightworks on Deception Bay Road to remove medians.
- **Audible noise and dust:** Audible noise and dust from construction activities, heavy machinery and other vehicles can be expected. Reversing beepers and flashing lights are a safety requirement and will be used at all times during work hours. Measures will be implemented to minimise dust generation.
- **Access:** Access to residential properties and businesses will be maintained as needed.

Working hours

A combination of day and night works will be undertaken on the Bruce Highway Upgrade – Deception Bay Road Interchange in April 2021.

Day works:

- between 6am and 6pm, Monday to Friday
- between 7am and 5pm on Saturday.

Night works:

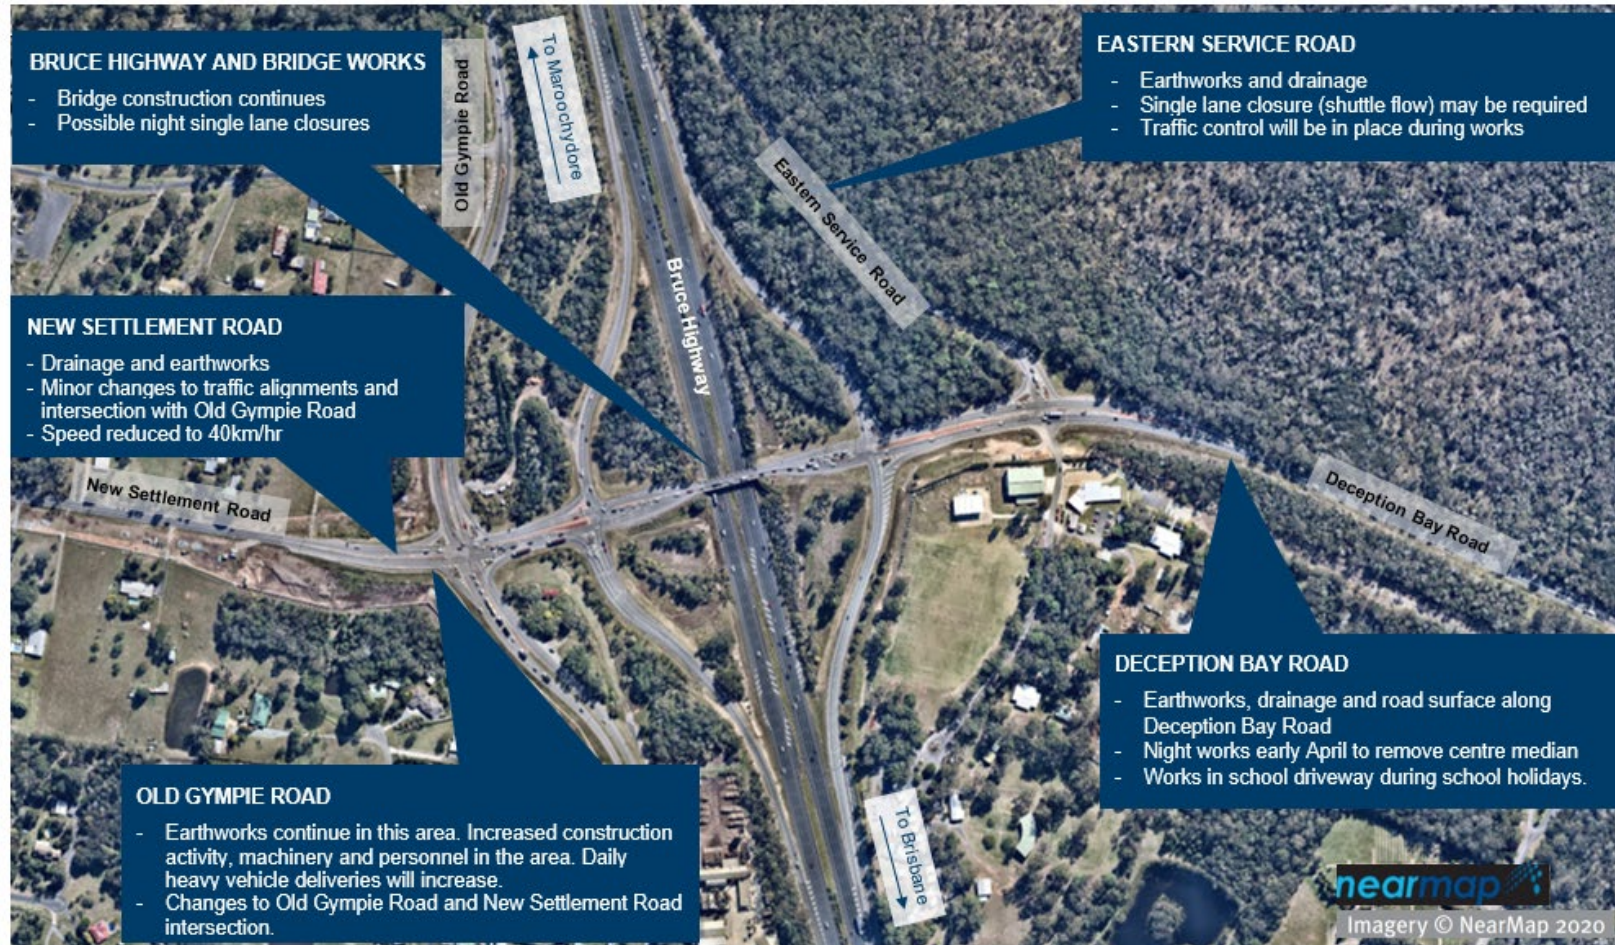

- between 7pm and 5am, Sunday to Thursday.
