

Bruce Highway Upgrade

Deception Bay Road Interchange

July 2021 project update

Construction notice
July 2021
Ref: CN016a

The Bruce Highway Upgrade – Deception Bay Road Interchange project will deliver two new parallel bridges over the Bruce Highway, upgrade two signalised intersections on Deception Bay Road, increase the length and capacity of the existing entry and exit ramps and provide new infrastructure for pedestrians and bike riders.

What's happening in July?

During July 2021, the section of New Settlement Road between Old Gympie Road and Marks Road will re-open to traffic and construction will be ongoing across the project site. Traffic realignments and intersection changes will be implemented along Deception Bay Road, Old Gympie Road and at the southbound Bruce Highway exit ramp to Deception Bay Road.

Works planned:

New Settlement Road

- The section of New Settlement Road between Old Gympie Road and Marks Road **re-opens to traffic at 11pm on 9 July 2021**, with a minor realignment of traffic in the area.
- There will be continued drainage and road pavement works in the area.
- The speed limit will remain at 40 km/h through the work zone.
- All works in and around driveways will be discussed with the property owners prior to works commencing.

Bruce Highway bridge works

- Concrete pours will continue throughout July 2021, with the crew starting early in the morning.
- Night-time temporary lane closures on the Bruce Highway will occur to accommodate bridge construction, service conduit crossings and clearing works.

Deception Bay Road

- Intersection and lane changes, and relocation of traffic signals will occur on Deception Bay Road, including changes to the southbound Bruce Highway exit ramp.
- Drainage and conduit works will take place during night works at intersections.
- Earthworks, drainage and road pavement works will continue.
- There will be a realignment of traffic travelling from Deception Bay Road to Old Gympie Road (south) in late July 2021.
- The speed limit will remain at 40km/h through the work zone.

Australian Government

BUILDING OUR FUTURE

Old Gympie Road

- Drainage and conduit works will take place during night works in July 2021.
- Earthworks, drainage and road pavement works will occur on Old Gympie Road in preparation for minor traffic changes to the median and New Settlement Road intersection.
- Traffic barrier relocations and traffic changes will be in place.

Eastern Service Road

- Earthworks, drainage and road pavement works will continue.
- Night works are planned for asphalt and conduit activities in the area. Single lane closures will be in place during these works.
- The speed limit will remain at 40km/h through the work zone.

All works are subject to weather and construction conditions.

What to expect:

- **Traffic control:** Increased local traffic changes will be in place including reduced speed limits, temporary lane closures, traffic detours and minor traffic disruptions. Traffic controllers may be present to assist and direct road users.
- **Night works:** Night works are outlined under 'works planned' and will be ongoing throughout the month.
- **Audible noise and dust:** Audible noise and dust from construction activities, heavy machinery and other vehicles can be expected. Reversing beepers and flashing lights are a safety requirement and will be used at all times during work hours. Measures will be implemented to minimise dust generation.
- **Access:** Access to residential properties and businesses will be maintained.

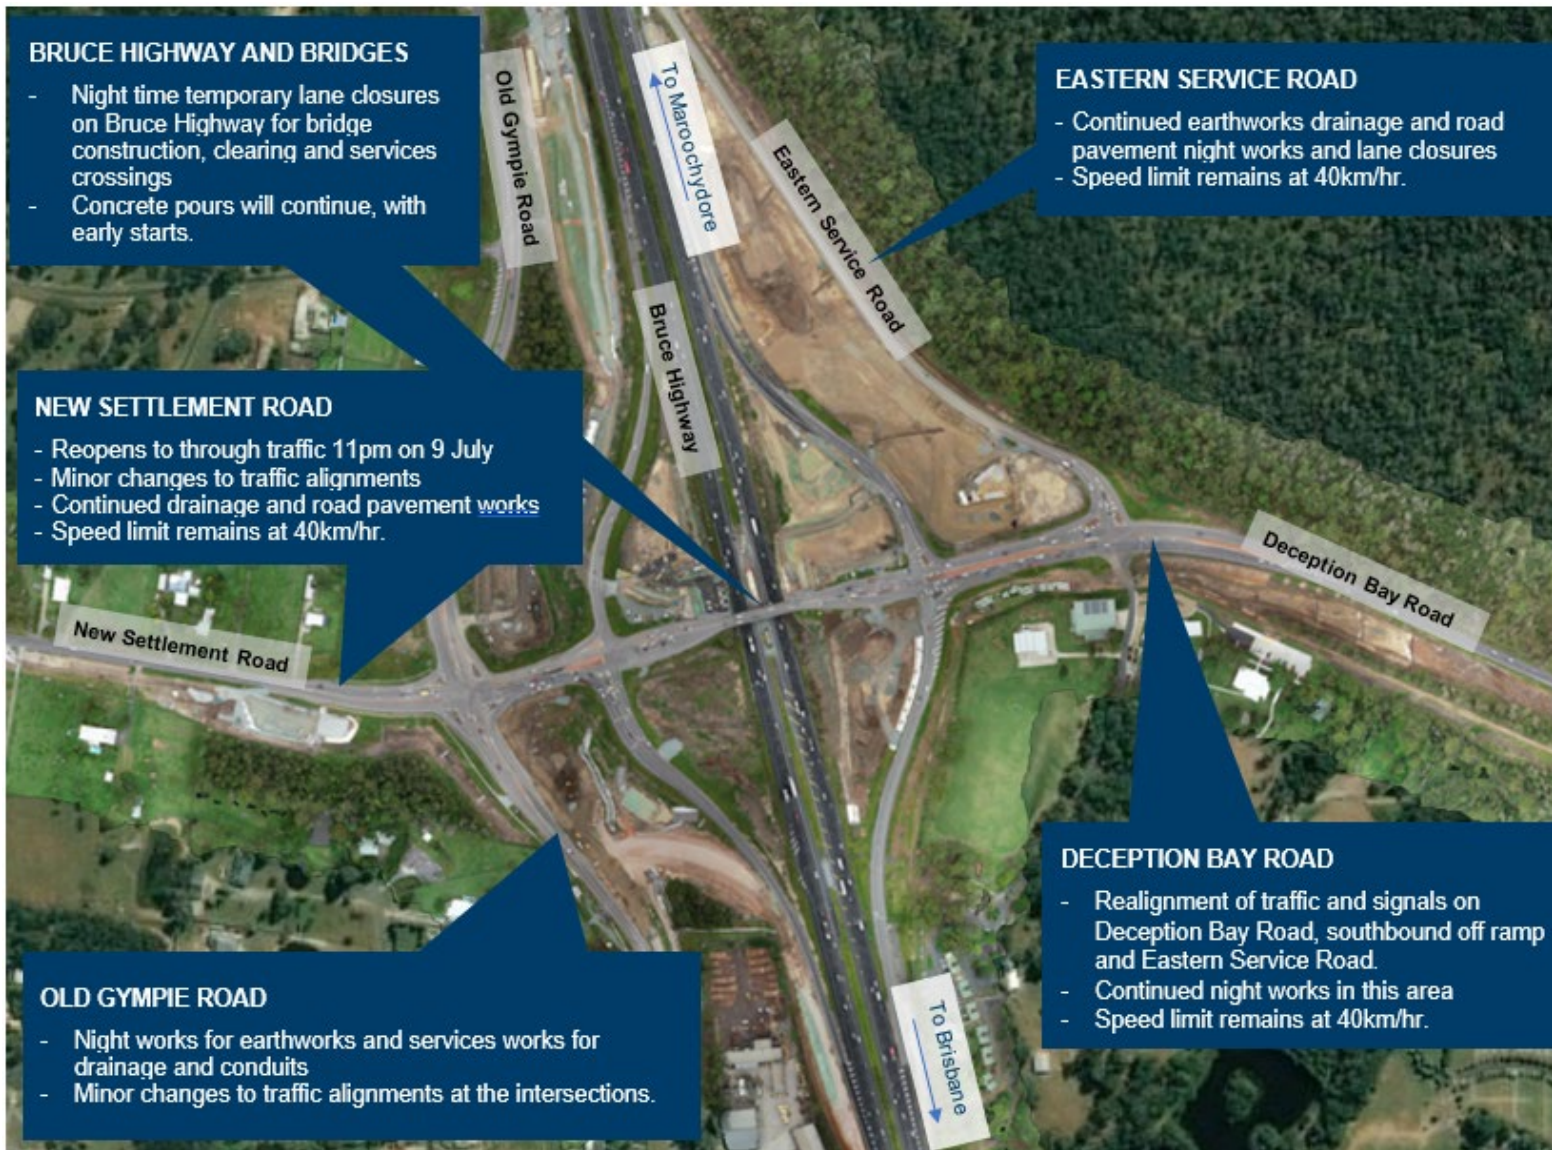

Thank you for your on-going patience and cooperation during these works.

Queensland Government

Bruce Highway Upgrade – Deception Bay Road Interchange

Key construction activities in July 2021

Working hours

A combination of day and night works will be undertaken on the Bruce Highway Upgrade – Deception Bay Road Interchange in July.

Day works:

- between 6am and 6pm, Monday to Friday
- between 7am and 5pm on Saturday.

Night works:

- between 7pm and 6am, Sunday to Thursday.
