

Bruce Highway Upgrade

Caloundra Road to Sunshine Motorway

Notice to residents

Tanawha Road upgrade

Construction of the jointly-funded Bruce Highway Upgrade – Caloundra Road to Sunshine Motorway (CR2SM) project is progressing well. The project is jointly-funded with the Australian Government committing \$745.6 million and the Queensland Government committing \$186.4 million. Motorists are advised that traffic changes will continue to occur on major and local roads to facilitate ongoing construction works.

From the week commencing **23 November 2020** (weather permitting), the CR2SM project team will undertake works to upgrade two sections of Tanawha Road. The work is expected to take approximately five weeks to complete (weather permitting), with some finishing works early in 2021.

- **Section 1** – from the end of the recently reconstructed section of Tanawha Road (near the driveway at 176 Tanawha Road), for approximately 300 metres west to the end of the cul-de-sac.
- **Section 2** – from the driveway near 120 Tanawha Road for approximately 200 metres west and connecting into the newly reconstructed section of the road.

See below map for detailed information.

Construction notice

November 2020

Ref: CN84

What to expect

Traffic control and lane closures:

- Traffic changes may be in place near work areas including reduced speed limits, road shoulder and lane closures, changes to traffic flow and short term traffic disruption.
- Traffic signals/traffic controllers will be used to manage traffic flow.
- Some clearing may be required to complete these works.

Audible noise:

- Heavy machinery will be in use and nearby residents should expect audible noise. Reversing beepers and flashing lights are a safety requirement and will be used at all times during day and night working hours.

Working hours

These works will be conducted during the day, **Monday to Saturday, 6am to 6pm**. However, please note that limited night works may be required and **we will contact you prior if this is the case**.

It is also important to note that these activities are dependent on weather and construction conditions.

We thank the local community for your patience and cooperation during these works.
