

Bruce Highway Upgrade

Caloundra Road to Sunshine Motorway

Construction notice

November 2020

Ref: CN87

Notice to motorists and residents

Traffic changes for Bruce Highway, Sunshine Motorway and local roads

Construction on the jointly-funded Bruce Highway Upgrade – Caloundra Road to Sunshine Motorway (CR2SM) is progressing well. The \$932 million project is jointly-funded with the Australian Government committing \$745.6 million and the Queensland Government committing \$186.4 million.

On the night of **Thursday 10 December 2020**, the following traffic changes will occur on the CR2SM project. These changes have been brought forward several days to avoid potential wet weather impacts forecast to occur next week.

Bruce Highway northbound and Sunshine Motorway traffic

Bruce Highway northbound traffic will be diverted onto a new section of highway at Palmview. Two new lanes of the new Bruce Highway northbound carriageway will open to traffic near Aussie World to north of the Sunshine Motorway interchange.

The Bruce Highway northbound entry ramp from Palmview Forest Drive (northern access near Martin Road) will permanently close. Access to the Bruce Highway northbound will be via the existing entry ramp on Frizzo Connection Road at Tanawha (see map).

Northbound Exit 194 has been realigned to connect from the new Bruce Highway carriageway onto the Sunshine Motorway.

The existing access route from the Sunshine Motorway to Frizzo Connection Road will be maintained.

Two new sections of Frizzo Connection Road open in both directions

Two new sections of Frizzo Connection Road will open in both directions (see map):

- Aussie World precinct to Palmview Forest Drive (northern access near Martin Road)
- Sippy Creek Road to Cunning Road.

Only two small sections of Frizzo Connection Road will remain one-way in the northern direction:

- Steve Irwin Way to Glenview Road
- Palmview Forest Drive to Sippy Creek Road.

These sections are anticipated to open to traffic in both directions by mid-2021.

Parkyn Court access changes

Access to Frizzo Connection Road from Parkyn Court will now be via Sippy Creek Road. The previous temporary access will be closed and revert to a cul-de-sac arrangement.

See map for more details.

Working hours

Both day and night works will be required to complete these works.

The project's working hours are:

- **Night works:** Sunday to Thursday, 7pm to 5am.
- **Day works:** Monday to Saturday, 6am to 6pm.

It is important to note that these activities are dependent on weather conditions.

We thank the local community for your patience and cooperation during these works.

Australian Government

BUILDING OUR FUTURE

Queensland Government

Traffic changes for Bruce Highway, Sunshine Motorway and local roads

What to expect

- Prior to the traffic changes, detours will be in place to facilitate the work.
- Temporary lane closures to allow for pavement works, signage, guardrail installation and line marking.
- Traffic changes may be in place near work areas including reduced speed limits, road shoulder and lane closures, changes to traffic flow and short-term traffic disruption.
- Traffic controllers will be onsite to manage traffic flow.

Audible noise:

- Heavy machinery will be in use and nearby residents and campers should expect audible noise.
- Reversing beepers and flashing lights are a safety requirement and will be used at all times during day and night working hours.

Shared user pathways:

- Construction of the shared paths for pedestrians and cyclists is progressing well and is anticipated to be open by mid-2021, weather permitting.
