

Bruce Highway Upgrade

Caloundra Road to Sunshine Motorway

Notice to motorists

Frizzo Road traffic diversion onto new Frizzo Connection Road

Construction notice

January 2021

Ref: CN89

Construction on the jointly-funded Bruce Highway Upgrade – Caloundra Road to Sunshine Motorway (CR2SM) is progressing well. The \$932 million project is jointly-funded with the Australian Government committing \$745.6 million and the Queensland Government committing \$186.4 million.

Motorists are advised that traffic changes will continue to occur on major and local roads to facilitate ongoing construction works.

From **27 January 2021** (weather permitting), local road connections at Glenview Road and Palmview Forest Drive will be upgraded as part of the project. This work will take approximately six weeks to complete, weather and construction conditions permitting.

What to expect

Traffic detours and lane closures:

- Temporary lane closures and detours to allow for pavement works, signage and line marking, reduced speed limits, changes to traffic flow and short-term traffic disruptions.
- Temporary traffic signals at both intersections and Frizzo Connection Road to manage traffic flow.
- Motorists are advised to follow directional signage and allow extra travel time.

Temporary lighting and audible noise

- Lighting towers will be used to light the area at night.
- Heavy machinery will be in use and nearby residents should expect audible noise.
- Reversing beepers and flashing lights are a safety requirement and will be used at all times during day and night working hours.

Working hours

Both day and night works will be required to complete these works. The project's working hours are:

- **Night works:** Sunday to Thursday, 7pm to 5am.
 - **Day works:** Monday to Saturday, 6am to 6pm.
- It is important to note that these activities are dependent on weather conditions.

We thank the local community for your patience and cooperation during these works.
