

Loganlea Station Relocation and Park 'n' Ride Expansion Project

Have your say

The Department of Transport and Main Roads (TMR) is planning for the Loganlea Station Relocation and Park 'n' Ride Expansion.

We are seeking your feedback on station elements, such as customer experience, movement in and around the station, access, safety, landscaping and changes in the local environment.

We want to understand what your priorities are for an upgraded Loganlea Station and Park 'n' Ride.

Provide your feedback online

TMR has developed an online survey to seek your feedback and ideas on the project.

Scan the QR code or visit the online engagement hub at www.tmr.qld.gov.au/Loganleastation to complete the survey and contribute to the project Ideas Wall.

Have your say by 2 October 2020.

You can also give us a call or send an email to provide feedback.
