

Sumners Road Interchange Upgrade Investigation Works

Dear Stakeholder,

The Department of Transport and Main Roads (TMR) would like to advise that geotechnical investigation works will be commencing for the Sumners Road Interchange Upgrade between the roundabout on Sumners Road and Monier Road, Darra. Investigation works will also take place near the on and off ramps to the M5 Centenary Motorway.

The geotechnical investigations works are required for input into the design process for the Sumners Road Interchange Upgrade.

Timing:

- Works will commence **late May 2018** and be completed **by mid June 2018**, construction and weather conditions permitting.
- Standard construction hours will be from **7.30 pm to 5.00 am, Monday to Friday and Sunday.**
- Works will be undertaken at night for the safety of the work crew and road users and to minimise the impact to the road network

Work will include:

- Geotechnical investigation works to assess the existing ground conditions at various locations
- Excavation machinery will be also be used during these investigations
- Surveying at various locations

Expected impacts:

- Residents, businesses and motorists may experience short term impacts including noise and light (at night) from construction equipment and activities.
- Minor traffic delays are expected due to a lane closure.
- Investigation works will be undertaken within the confines of the site and access will be maintained at all times.
- Pedestrians will be given directions and assisted around the construction site.

For more information on this work, please contact the Project Team by emailing metropolitanregion@tmr.qld.gov.au or calling 3066 4338 during business hours.

For up-to-date information on road closures and traffic conditions across Queensland, go to www.qldtraffic.qld.gov.au or call 13 19 40.

TMR appreciates your patience while these important works are being carried out.

Kind regards,

The Project Team
