

Sumners Road Interchange Upgrade

5 August 2019

Dear Resident,

Sumners Road Interchange Upgrade – change to road conditions

The Department of Transport and Main Roads would like to advise on-road works will begin as part of the initial stages for the Sumners Road Interchange Upgrade from early August 2019.

These works will include traffic changes with a reduction in the posted speed limits on Sumners Road and the Centenary Motorway.

Timing

- Works will commence in **early-August 2019** and occur between **8pm and 5am**, Sunday to Thursday, with the majority of work being on the road network.
- Out of hours works will also be undertaken across the site to reduce impacts to the road network and ensure the safety of workers.

Works will include, but are not limited to:

- barrier and kerb demolition
- drainage and earthworks
- pavement and road works
- bridge footings and concrete pours
- construction of retaining walls.

Expected Impacts

- Speed will be reduced on Sumners Road to **40 kilometres per hour**, and for both directions of the Centenary Motorway to **80 kilometres per hour** in the active worksite areas.
- Traffic control and signage will be in place as required. Please allow for extra time when planning your journey.
- To ensure motorist and public safety, please follow all traffic and project related signage.
- Nearby residents and businesses may experience short-term impacts such as increased noise, dust and lights from construction equipment and activities.
- There will be changes in access for some businesses. Businesses will be consulted by the contractor before these changes take place.

For more information on this work, or to sign up to the project email list, please contact the Project Team by emailing sumnersroad@tmr.qld.gov.au or calling 1800 209 020 during business hours.

For up-to-date information on road closures and traffic conditions across Queensland, go to www.qldtraffic.qld.gov.au or call 13 19 40.

The project team apologises for any inconvenience and appreciates your patience while these important works are being carried out.

Kind regards,

The Project Team
