Travel tips
2. Plan to arrive at least five minutes prior to departure.
3. Check the approaching bus is the service you require by looking at the destination sign.
4. At designated bus stops, signal the driver clearly by placing your hand out as the bus approaches. Keep your arm extended until the driver indicates.
5. If you have a concession card, have it ready to show the driver.
6. Ask for a ticket by destination or by the number of zones you will cross.
7. Once you’ve boarded just sit back and enjoy the ride. If you need to stand, securely hold on to a handle.
8. Ring the stop bell at least 100 metres before your stop. If you are unsure where you should get off, ask the driver when you are boarding the bus and remain seated until the bus stops.
9. If crossing the road after alighting, wait for the bus to move away and check the road is clear.

Bicycles
Bicycles are not permitted on buses at any time. Cyclists are encouraged to use bike locker facilities where they are available.

Travelling with a pram

Safety and security
Keep your personal property with you at all times while travelling. Make sure your bag is closed and your valuables secured. If you see an unattended bag please report it to a staff member. All passengers must be seated between Arcadia and Horseshoe Bay, due to steep roads. If all seats are occupied, an additional service will be arranged for standing passengers.

Security surveillance
Many buses in the qconnect network are equipped with closed circuit television cameras. If you have any concerns while travelling please speak to your bus driver.
