To the best of our knowledge, the content was correct at the time of publishing.

The Proposed Major Works to Competitive Tender Report comprises contracts valued at \$1m and above, intended to be procured over the forward 12-month period. The report includes road and transport infrastructure contracts proposed to be let by the Department of Transport and Main Roads and are funded within the [Queensland Transport and Roads Investment Program \(QTRIP\) 2023-24 to 2026-27](#). The timing and contract values listed are indicative only and subject to full tender processes. It should be noted that the prequalification levels provided will be confirmed after the finalisation of the detailed design. For further information about prequalification requirements please refer to the Department of Transport and Main Roads' *Transport Infrastructure Project Delivery System Volume 3 (Prequalification System)*. It should also be noted that some projects may be subject to planning approval and/or confirmation of federal funding, and some projects listed are subject to confirmation through state and federal budgetary processes. Information about individual projects is available from the relevant contact office.
